

EVERETT YOUTH SYMPHONY ORCHESTRAS

This form must be completed and signed prior to participating in any of our orchestras.

SCHOOL MUSIC PROGRAM PARTICIPATION WAIVER

Everett Youth Symphony provides instruction and performance opportunities to young musicians designed to enhance their music education. EYSO policies support school music programs so that music education remains accessible to all students by keeping music a vibrant part of our community.

Involvement in a school music program not only benefits musicians with additional instruction and performance time, but helps them forge lasting relationships with other musically-minded students. Because of this, we feel it is important for our members to continue their musical studies in school and through private instruction.

Students unable to participate in their school band or orchestra program may join EYSO with permission from the band or orchestra director by completing and returning this form.
